Mental Health and Substance Use Recovery Summit

The Northeast Mississippi Mental Health & Substance Use Recovery Summit is an annual event hosted by the Northeast Mississippi Health Alliance, an initiative of United Way of Northeast Mississippi. The summit brings together healthcare professionals, educators, first responders, nonprofit leaders, individuals in recovery, and community members to learn, collaborate, and strengthen the region's recovery ecosystem.

Through keynote presentations, breakout sessions, networking opportunities, and continuing education, the summit equips attendees with the latest information on mental health, substance use prevention, treatment, recovery support, and community resources. Together, we are working to reduce stigma, expand access to care, and create a healthier future for Northeast Mississippi.

This event is held each September in observance of National Recovery Month, which recognizes and promotes mental health and substance use recovery efforts across the country.

To learn more about the summit, view upcoming event information, or register, visit:

healthalliancenems.org/summit

Recovery at the Park

Recovery at the Park is a free, family-friendly community event hosted by the Northeast Mississippi Health Alliance, an initiative of United Way of Northeast Mississippi. Created to celebrate recovery and raise awareness about mental health and substance use resources, the event brings together individuals in recovery, their families, community organizations, and supporters for an afternoon of connection, encouragement, and hope.

Attendees can enjoy live music, free food, children's activities, resource booths, and opportunities to connect with local organizations that provide prevention, treatment, and recovery support services. Recovery at the Park is a reminder that recovery is possible, hope is real, and no one has to walk the journey alone.

This event is held each September in observance of National Recovery Month, which recognizes and promotes mental health and substance use recovery efforts across the country.

To learn more about Recovery at the Park, become a sponsor, or reserve a resource booth, visit:

healthallianceners.org/recovery-at-the-park

Thank you to our generous sponsors!
